Dear President and Vice-Chancellor,

On behalf of the City of Sault Ste. Marie and City Council, I am pleased to extend congratulations on your installation as President and Vice-Chancellor of Algoma University.

Algoma University plays a vital role in our community and our region. In addition to providing quality post-secondary education close to home, Algoma University is a significant economic driver, a valued employer and a major contributor to our community's social development.

Algoma University will play a major role in the development of our knowledge economy and our local labour force. As well, Algoma University's partnership with Shingwauk Kinooamaage Gamig to provide Anishinabe Studies represents a tremendous opportunity for both the University and our community to be leaders in Truth and Reconciliation.

I have tremendous confidence in your leadership and I am sure you will lead Algoma University to a very bright future. I look forward to continue working with you for the betterment of our community and the institution you now lead.

Please accept my best wishes for a memorable experience on this very special occasion.

Sincerely,
